

ABOUT INOX GREEN ENERGY SERVICES LIMITED:

Inox Green Energy Services Limited is one of the major renewable power operations and maintenance ("O&M") service providers in India with ~ 12.5 GW of renewable assets under management, including investments. The company is engaged in the business of providing long-term O&M services for renewable energy projects. Part of the INOXGFL Group and a subsidiary of Inox Wind with whom it enjoys a synergistic relationship, Inox Green is India's only listed pure-play renewable O&M services company. It has a strong and diverse portfolio base and an established track record of over a decade. It has reliable cash flows supported by long-term O&M contracts. Its customers include some of the largest IPPs, PSUs along with various retail customers.
