

## **PRESS RELEASE**

### **Inox Green signs agreements for O&M of 189.1 MWp of solar projects**

- **Signs agreements for solar O&M of 189.1 MWp with multiple customers**
- **Solar O&M portfolio reaches ~ 1.8 GW with this addition**
- **Inox Green's renewable O&M portfolio reaches ~ 5.3 GW**

**Noida, September 2, 2025:** Inox Green Energy Services Ltd., India's leading renewables operations and maintenance ("O&M") service provider, announced today that the company has entered into agreements to provide O&M services for 189.1 MWp of operational solar projects with multiple customers:

- 96.6 MWp with a global PE backed IPP for their projects located in Maharashtra
- 92.5 MWp with an IPP for their projects located in Gujarat and Madhya Pradesh

With these additions, Inox Green's solar O&M portfolio reaches ~ 1.8 GW, as the company continues to rapidly grow in this segment, taking the total renewable O&M portfolio to ~ 5.3 GW.

On this occasion, **Mr. SK Mathu Sudhana, CEO of Inox Green**, remarked, "We are pleased to have secured another 189.1 MWp of solar O&M agreements, and rapidly expand in this segment. Inox Green has scaled up its solar O&M portfolio within a very short span of time, and we are continuously on the lookout for and participating in large scale O&M opportunities across solar, wind and RE infrastructure space. Being one of the leading renewable O&M services providers in the country, we are confident of capturing a significant portion of the upcoming opportunities and rapidly scaling up our portfolio in the coming years."

#### **ABOUT INOX GREEN ENERGY SERVICES LIMITED:**

Inox Green Energy Services Limited is one of the major renewable power operations and maintenance ("O&M") service providers in India with > 5 GW of renewable assets under management. The company is engaged in the business of providing long-term O&M services for renewable energy projects. Part of the INOXGFL Group and a subsidiary of Inox Wind with whom it enjoys a synergistic relationship, Inox Green is India's only listed pure-play renewable O&M services company. It has a strong and diverse portfolio base and an established track record of over a decade. It has reliable cash flows supported by long-term O&M contracts. Its customers include some of the largest IPPs, PSUs along with various retail customers.
