

PRESS RELEASE

Inox Green signs agreements for O&M of 639 MWp of solar projects

- **Signs agreements for solar O&M of 639 MWp with a marquee renewable company**
- **Solar O&M portfolio reaches ~ 1.6 GW with this addition**
- **Inox Green's renewable O&M portfolio crosses 5 GW**

Noida, May 21, 2025: Inox Green Energy Services Ltd., India's leading renewables operations and maintenance ("O&M") service provider, announced today that the company has entered into agreements to provide O&M services for 639 MWp of solar projects of one of India's leading renewable energy companies, which is backed by a major energy MNC. The projects are located across multiple sites which are owned by the said company. With this addition, Inox Green's solar O&M portfolio reaches ~ 1.6 GW, as the company continues to rapidly grow in this segment, taking the total renewable O&M portfolio to > 5 GW.

On this occasion, **Mr. SK Mathu Sudhana, CEO of Inox Green**, remarked, "We are delighted to announce that we have secured another 639 MWp of solar O&M agreements, as we continue to march ahead in this segment. With this, Inox Green has achieved an important milestone crossing 5 GW of renewable assets in our O&M portfolio. We are confident of continuing our portfolio ramp up and scale newer highs both operationally and financially in the coming years."
